

LNMIIT Android App

Being an IT institute, LNMIIT always keep pace with current and changing technologies. Keeping the same feeling intact, students of LNMIIT have developed an Android app of LNMIIT. The LNMIIT app provides a sneak-peak into the abode of the techpreneurs of The LNM Institute of Information Technology.

The LNMIIT App keeps its user apprised of the Administration, Faculty, Placements and Student Activities occurring at LNMIIT. The LNMIIT app is a handy tool for an insider with Bus timetable, Campus News, Mess Menu etc. For an outsider, it serves as a way to get acquainted with the Institute.

The offline version of LNMIIT app is available for free on Google Playstore.
