Find Suitable Journals for Research Publications

ELSEVIER
Find the perfect journal for your article

Elsevier Journal Finder

Enter title and abstract of your paper to easily find journals that could be best suited for publishing. Journal Finder uses smart search technology and field-of-research specific vocabularies to match your paper to scientific journals.

 **WILEY**
Publishers Since 1807

Journal Finder - Wiley

Not sure where to submit your article? Our Journal Finder Beta can suggest Wiley journals that may be relevant for your research. Simply enter your title and abstract and we'll create a list of potential journals for you to consider. We recommend reviewing the journal's Aims and Scope before deciding where to submit.

 **enago**
Author First, Quality First

Enago's Open Access Journal Finder (OAJF) safeguards you from predatory publishers by letting you find pre-vetted, quality open access journals for free. This unique journal finder resolves the familiar concerns regarding journal legitimacy, predatory journals, and article processing fees by using a validated journal index issued by the Directory of Open Access Journals (DOAJ).

The Journal Checker Tool is provided by cOAlition S to authors to support them in finding Plan S compliant “routes” through which to publish their articles. The tool allows an author to enter the name of a funder, an institution and the journal to which they plan to submit an article, and checks if this combination of funder, institution and journal offers any route to compliance with Plan S. [What is Plan S?](#)
