**Online Education**

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		<p>All the course instructors were provided with sufficient training on the use of digital platforms like Google Meet, Microsoft Teams, YouTube etc. to conduct the classes in virtual mode. A number of training sessions were arranged for this particular cause. Moreover, all the course instructors were facilitated with the tools like writing pads like Microsoft Surface for efficiently conducting the online classes. Continuous evaluations were adopted for the courses and again sufficient number of training sessions were organized for both the students and the course instructors to familiarize them with the virtual examination platforms like Moodle. A number of committees were formed to coordinate the whole process and to ensure that teaching-learning and the evaluations are not compromised in any sense. End of course survey/feedback from the students helped us in further betterment of the virtual teaching-learning environment. Proper timetable was followed by the course instructors for the live classes to make sure that the number of teaching hours were not compromised and moreover the recorded videos and the course materials were subsequently shared with the students to enhance the effectiveness of the teaching-learning. The proactive efforts of the committees formed during this pandemic situation to enable and train the course instructors and the students helped us to complete the syllabus of the courses and programmes without any delay or compromise in the teaching-learning process. In March 2022, the Institute opened for regular physical classes for all its programmes. Post Mid-Term evaluations like Quizzes, End-Term examination conducted in physical mode.</p> <p>Irrespective of the pandemic it was ensured that on an average 40 hours of instructions for each of the theory courses. For specific period 700 course modules (all modules are available on YouTube) were developed. While, during the pre and post pandemic period all laboratories were conducted in physical mode. All programming and software-oriented laboratories as well as large number of hardware and software laboratories and some virtual laboratories were conducted. Apart from that, detailed demo-based video instructions and corresponding assignments or quizzes and viva-voce which were conducted by the faculty members cutting across programmes and the courses to test the understanding of the students.</p>
