

18-20, July 2021

# 5<sup>th</sup> IEEE ITC India 2021 Fellowship

*Congratulations!*

**Dr. Kusum Lata**

**Fellowship ID: ITC2021-039**

Greetings from the Fellowship Committee of upcoming 5<sup>th</sup> IEEE International Test Conference India (ITC India 2021) to be held virtually, during 18-20 July 2021. With respect to your online application for the fellowship, we are happy to announce that your application for fellowship is provisionally **ACCEPTED**.

Please submit your acceptance by uploading the signed copy of declaration form (given in the attachment) here: <https://cutt.ly/FmsVAdH>

### **Important Guidelines:**

- It is imperative that the fellows attend tutorials and presentations on all the three days. A record of attendance would be maintained for the same. A minimum of 90% of attendance is required all the sessions are mandatory to receive a participation certificate.
- E-Certificates for Participation will be issued to the Participants only after submitting the Feedback link immediately, which will be posted in the Chatbox at the end of each session.
- All the candidates who were awarded the fellowship have to confirm the acceptance of the fellowship and its terms and conditions by filling up the following form on or before **06.07.2021 (Tuesday), 5 PM**.
- Please complete the following form carefully since these details will be used for registration and certificates will be prepared based on these details.
- You are also requested to join the WhatsApp group after submitting this form to get further updates.
- Kindly quote your fellowship ID for all future correspondence.

For any concerns/queries, please send an email to fellowship chairs.

**Looking forward to seeing you at ITC India 2021!**
